Signature Smash Burgers @ The Black Bull

At The Black Bull we take our Burgers seriously...This is more than just fast food!

There is a specific process a burger Patty should endure, in order to gain this title. We do not pre make, pre roll, pre shape our burger patties. Every smashie is handpicked, weighed and smashed to order in order for great texture and consistency. We serve our burgers in only the highest quality brioche rolls! All Served with Fries!
